

Pendergast

Between the Bottle and the Pulpit

With their March 2007 release Between the Bottle and the Pulpit, Kansas City's Pendergast flexes its roots rock muscles, establishing claim as one of the Midwest's top indie acts.

From hardwood honky-tonks to hard rockin' roadhouses across the nation, Pendergast engages listeners with a blistering brand of working man's music while exhorting the healing power of rock 'n' roll with energetic and heart-felt performances to audiences everywhere.

Thick Guitars fortified by tough unyielding grooves anchor each lyrical tale of heartache, inebriation, and ultimately redemption in Pendergast's sophomore effort.

Guest appearances include proven players such as Kasey Rausch (duet--KOA), Nate Hofer (pedal steel), TJ Erhardt (piano), Dave Randall (Wurlitzer), and Kansas City *compadre* Chad Rex supplying subtle and stark harmonies. The saloon-style piano playing, soulful Wurlitzer, and down-home delivery of Rausch and Rex add the perfect sonic spice to this Pendergast pot of hobo stew.

Between the Bottle and the Pulpit is a record that speaks to music fans in a very real and genuine way. This is the album you'll crave when you need to voice the frustration and heartbreak of failed Loves, lost jobs, long days, and hard nights. Let there be no doubt—Pendergast carries you through good times and bad with a strong, steady rock 'n' roll swagger—providing willful optimism that will keep you listening to Between the Bottle and the Pulpit again, and again, and again...
